Letter No. H.1502/34 dated 20-1-35 from the Deputy Commissioner, Mysore District, to the District Commissioner in Mysore.

Special establishment - collection work - Inam villages - Nanjangud Taluk - continuance of.

With reference to G.O. No. 1003-10, Mys. 61-34-3 dated 1st October 1934 and giving sanction to the continuance of the above Special establishment consisting of a Revenue Inspector on R. 40 plus 1 10/- and two peons on P. 10/- each, for a period of one year from 1st July 1934, I have the honor to state that the sanctioned period of one year will expire on 1st July 1935. From the D. S. statement (enclosed) received from the Amildar, it is seen that the old arrears of the 19 inam villages up to the end of 1933-34 was Rs. 57,121-13-5 and including the current demand of Rs. 11,036-5-6 (for 1934-35), the total demand on 1st July 1934 was Rs. 68,157-18-11 and that out of this, a sum of Rs. 63,761-0-0 was collected up to the end of March 1935 leaving a balance of Rs. 4,396-18-11 on 1st June 1935. The Amildar reports that in spite of the best efforts made by him by camping frequently at the inam villages, half of the total demand has not been collected till 1st June 1935 though the crop was not satisfactory for want of rains in those parts. The work of the inam villages is not less than that of an average hobli, the work of the Revenue Inspectors of Santebachanalli and Kasaba hobbies has enormously increased consequent on the abolition of the Nanjangud hobli which constituted the inam villages, with the introduction of the Record of Rights Scheme the work of sirkar hobbies will be further increased, the collection work of inam villages cannot therefore be tackled over to the Revenue Inspectors of sirkar hobbies, and a separate establishment is necessary for the collection work of inam villages.

2. The Sub Division Officer, Nanjangud, also recommends that the Special Establishment consisting of the Revenue Inspector and the two peons may be continued permanently, or if that is not possible, it may be continued for 1935-36 at least.

3. I agree with the local officers and I request that sanction of Government may kindly be obtained to the continuance of the Special establishment during 1935-36, the cost being met pro-rata according to the number of the Public and Personal Inam villages.

4. To attend to the correspondence relating to the inam villages, at the Taluk Office, a clerk on P. 25/- has been sanctioned temporarily for a period of six months from 1st March 1935 (vide G.O. No. 1003-10, Mys. 61-34-3 dated 1st January 1935). As the sanctioned period of six months expires on 31st August

1935, the local officers report that the continuance of the clerk till the end of 1935-36 is necessary to satisfactorily cope with the work of the Taluk Office.

5. I request that sanction of Government may also be kindly obtained to continue the clerk till the end of 1935-36, the cost being met proportionately from the realizations of Temple and Personal Inam villages. Reports of the local officers are submitted herewith.
